It's up to me, to make sure my city is safe
Hold on! Don't move!

But, I'm in a rush!

Remember, before getting in a car. Make sure you know who is driving you, never get into random cars.
Everyone, remember to be safe, and drive only with people you know!

Where to sir?

Thank you! The airport!
That sounds like the train! There's someone horse-playing on the side! I have to go stop her!
Durr... choooooo!

CHOOOMM

Everyone! Move away from the platform while a train is incoming!
Always stay away from the platform when a train is coming, it's unsafe and people can get hurt.

Thank you for letting me know Spidey!

Make sure you're safe next time!
So remember everyone! Please be safe out there and make sure you're aware of your surroundings, you never know what can happen!

Spidey out!
The End.
