I wonder were these stairs lead to?

Only one way to find out!

Okayyyyy, I thought this was going to take me to Candyland, but I guess not?

Yikes, someone is coming!
Who are you? What are you doing in my room?

I know this might look suspicious, but I come in peace.

I am not from here, you see. I went up these stairs and it led me into this creepy... I mean unique room.

I believe you. My name is Lala, Princess of this land of Shadows; and you are?

My name is Perolope, your highness.

Lift your head and follow me.

Huhhhhh?
Once upon a time, this kingdom was filled with laughter; it was the land of colors and beauty. One day, a wizard appeared. I thought his hat looked silly and laughed about it, but one look from him sent shivers down my spine. He went by the name of Vilice. He was different from other travelers that visited the kingdom in the past. He was evil and did not like when people were laughing, singing and having a good time. He imposed a terrible spell over the kingdom. He said.......
I will take all the colors from this land, but only leave you with the three primary colors; red, blue and yellow. Since I am a nice guy, I will paint the sky with dark colors and leave the moon in white. Every morning when you wake up and look up at the sky, you will see it filled with darkness. Muhahahahahahahh!

After that, this kingdom has never been the same. Only a person with art knowledge could break this spell. I hope you can help us to break this curse that is upon us.

I will try my best, Princess Lala!

Thank you the people will appreciate your bravery. To get to his lair, you have to pass the cementary and go up the stairs. Let’s see, did I forget a step...... nope, I said everything.

Got it!

I am not afraid. I am not afraid. Wait, what was that?
She never mentioned anything about crossing a bridge, is this even safe to go across?

Humm, in which of these rooms would the evil wizard be in?

I made it. Now where should I start?

I am glad you can make it. Do you wish to play the game to lift the curse?

You must be VlIce, the wizard. Yes I accept your challenge!

This is going to get interesting.
Let us make a deal first. I will ask you some questions and you have one chance to answer them all right. Answer all the questions correctly the curse will be lifted and I will vanish from this land. If you get any wrong, I will turn you into a frog.

I hope you packed your bag Vlice. When this game is over, it will be sayonara for you!

Only one man went far in answering a few of my questions. You might have noticed the green grass. His luck ran out and I turned him into a rock. Too bad for him; hahaha!

Please, you do not scare me. Just go on with the questions already.

1. Name the cool colors.
2. Name the warm colors.
3. What colors you have to mix to create green, orange and violet?

1. Cool colors: blue, green, violet
2. Warm colors: red, yellow, orange
3. You mix:
   Blue+yellow=green,
   Red+yellow=orange
   Blue+red=violet
Now let us get to the harder questions!

4. Define secondary colors.
5. What are complementary colors?
6. What are analogous colors?

4. Secondary colors can be created by mixing the different combinations of primary colors.

5. Complementary colors: two colors that are opposite from one another. Example: yellow/violet, blue/orange, green/red

6. Analogous colors are colors that are next to one another on the color wheel. Example: blue-green, orange-yellow, violet-red

IMPOSSIBLE!!! How can this be? You answered all my questions correctly without breaking a sweat!

Even though I am evil, a deal is a deal. The curse will wear off in two minutes.

Oh, did I forget to tell you that my favorite subject is art.

By the way, why did you really put a curse over this kingdom?
Because I dislike seeing people happy all the time. Also, someone laughed at my hat because she thought it was silly.

Silly hat, where did I hear that from?

Wow, I would have never imagined the land of shadows being this beautiful!

Thank you for saving my kingdom. I will repay you with anything you wish for.

As you wish. Goodbye Penelope, see you next time.

What I really want is to go home.

Huh!
Princess Lala?

What is happening?

Hello, earth to Pen. Wake up!

zzzz.... I am up Lana.

What, you think the hat is silly too?

PFFFFTT!

No, it is just a long story.

Hey guys, what do you think of my hat?

Honestly, it looks silly

Tell us all about it!
