The Great Sphinx of Giza is one of the largest and most famous sphinxes.

Sphinxes are usually associated with royal tombs or religious temples.

The Great Sphinx of Giza is one of the world’s most famous monuments of the ancient Egyptian civilization.

On to the next Great Wonder!

Chichen Itza is a world-famous complex of Mayan ruins on Mexico’s Yucatan Peninsula.

Chichen Itza means, “at the mouth of the well of the Itza.”

The Maya built Chichen Itza around 900 AD.

The Leaning Tower of Pisa is a freestanding bell tower of the cathedral of the Italian city of Pisa.

The tower tilt began during construction, caused by an inadequate foundation on ground too soft on one side to properly support the structure’s weight.
Well kids, I really hope you had a great time exploring just a few of the many wonders of the world today... I know I sure did.

Can't wait for our next adventure!
